

DO YOU HAVE A CHILD WITH AUTISM?

We May be Able to Help

This fall, Utah will begin a two-year pilot program to assist children, ages 2 through 5, who have been diagnosed with an autism spectrum disorder.

For more information, please contact the Utah Department of Health at (801) 538-6090 or visit our website at: <http://health.utah.gov/autismwaiver>

On this website, you will find information on:

- *dates when we will be accepting applications*
- *documents/criteria needed to qualify*
 - *only the income/assets of the child are considered*
- *signing up for automatic email updates through our listserv*
- *services offered in the program*
